

DOUAI FOUNDATION

GALA DINNER

FRIDAY 1 OCTOBER 2021
THE SAVOY HOTEL, LONDON

SPONSORSHIP PACKAGES EVENT OVERVIEW

The Douai Foundation is a charitable legacy of the Benedictine Douai School, which closed in 1999. The Foundation has been set up with the primary aim of promoting Benedictine education at home and abroad. The Foundation is in its infancy but has already made grants to Inkamana High School in South Africa and The Nursing School of Ndanda Abbey in Tanzania. We hope to extend our funding to projects in Chile, India, Sri Lanka and the UK.

The gala dinner will host 100 - 120 guests who will join us for a drinks reception and dinner with music, raffle and an auction hosted by James Braxton, star of the BBC's Antiques Road Trip. Our charity patron, The Duchess of Somerset, will be in attendance.

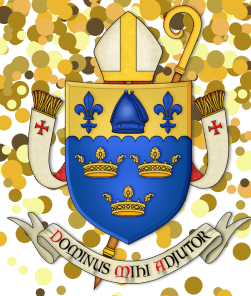

We are seeking sponsors for the event to ensure that the maximum amount of money raised at the evening goes towards funding more projects. We have a range of packages to suit all budgets that present a unique and exciting opportunity for you to align and showcase your business.
